21. Asset Ledger: (Please see Annexure – C)

22. Budget and Account Information (Please attach separate sheet if required):

The college spends a significant percentage of its fund for green initiatives. Apart from setting up new gardens and greens on the campus and maintaining them, many other green initiatives are executed. This measures are spending for SMS services, paperless transactions in offices and library, RFID attendance, solar power, website notices, etc.

The percentage of solar power consumption to total power consumption is very low as only one "Solar High Mast Light" is installed on the campus. However, the college has applied for full conversion of solar panels on grid to the Govt.

Remarks of the Principal:

It feels great and challenging to work with such dedicated, innovative, energetic and motivated staff members, parents and students. Today, the role of this college is not only to pursue academic excellence but also to motivateand empower our students to be lifelong learners, critical thinkers, and productive members of an ever-changing global arena. The College provides an atmosphere, an intellectually challenging environment, to our students for multifaceted development, where students are encouraged to channelize their potential in the pursuit of excellence and become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the twenty-first century. This can only be possible in a holistic, student-centric environment, their talents, skills, and abilities need to be identified, nurtured, and encouraged. Students need to be provided with a platform to think, express, and exhibit their skills.

Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution

Though situated in a rural area,this college has notably good/state-of-the-artinfrastructure compared to the other institutions in this locality. There are at present adequate classrooms, laboratories, hostels, auditorium, seminar and conference halls, andseveral other facilities. This college ICT enabled classrooms with smart-board facility. We have rooms for NCC and NSS offices. The equipment in thelaboratories is enhanced every year, and computers arepurchased regularly. As such, though theteaching learning equipment and infrastructure is extensive, we are always trying to increase and upgrade itfor the use of the students and teachers in the present age.

The institution has excellentfacilities for cultural activities, sports, games, gymnasium, yoga etc. There is an auditorium forvarious cultural activities such as Autumn and Spring welcome ceremony, Talent Hunt program, Fresher's welcome ceremony etc. Thiscollege has a field for multiple sports activities such as cricket, football, badminton, sprint, high and long jump etc.The students are encouraged for participation in sports *via* winners felicitating the winners in the Annual Prize Distribution Ceremony. There are separate common rooms for both boys and girls. The Library is fully computerized and well-equipped. Enough books for the CBCS syllabus are there and books for NEP syllabus are being addedcontinuously. There is a reading room and free computer zone for students in the library.For ICT, there are smartboard-equipped rooms, and LCD projectors, computers for classroom teaching andseminars and conferences.
