Memo No.

Date : 27/5/21

Certificate of Recognition

We sincerely thank the NSS Program Officers and Volunteers of Panchakot Mahavidyalaya, Sarbari, for their invaluable contribution to the village during the 2020-21 session by organizing a mask and sanitizer distribution camp. Their efforts to disseminate vital information and raise awareness about COVID-19 are widely appreciated, especially in rural areas. The campaign increased public awareness about COVID-19 and emphasized the need of mask use and sanitization practices. The panchayet community extends its heartfelt appreciation for the generous donation of a substantial amount of masks and hand sanitizers. We offer prayers for the security of all volunteers and wish the NSS Unit well in their forthcoming COVID-19 social events.

Certificate of Recognition

We would like to thank you for planning the "Health Awareness" program in July 2022. The audience benefited greatly from the show, which provided insightful information about leading a healthy lifestyle. It is our intention that program participants would apply the knowledge to their everyday lives, leading to improved health outcomes. The success of the event was greatly attributed to your pupils, who shown exceptional cooperation and support throughout. Their commitment to the betterment of the community is admirable, and we value the work they did to make sure the program ran smoothly. We look forward to working together in the future to advance health education programs and enhance community well-being in general.

Memo No.

Date : 02-03-2023

Certificate of Recognition

The NSS Unit of Panchakot Mahavidyalaya, Sarbari, is sincerely appreciated by this Gram Panchayat and given a certificate for planning a social service project in the community. Their successful awareness campaign, which took place in 2022-2023 and included posters, rallies, and street plays, focused on important issues like the elimination of drugs and tobacco, self-cleanliness, girls' education and safety, the significance of installing toilets in homes, the Swachh Bharath Drive, and cancer awareness. The villages benefited much from the program, and our Chorpahari Gram Panchayat is grateful for the Principal, Management, and NSS Program Officer's ongoing assistance.

With gratitude and warm regards.
