REPORT
SINGING (BENGALI)COMPETITION2018-19

Venue: Panchakot Mahavidyalaya College Hall (Ground floor)

Date: 25.07.2018

Time: 11:00 AM

The process of learning music, overcoming challenges, and performing in front of an audience instills a sense of accomplishment in children. Every time they master a new song or receive applause for their performance, their confidence surges. Music competitions offer an amplified experience of this confidence boost. It also aims at the encouragement of young musicians, as well as promoting musical talents, and encouraging them to choose a career as a professional musician. Singing increases oxytocin levels (aiding bonding) and decreases cortisol (lowering stress). It can also rapidly result in feelings of connection and flow – improving our mood, strengthening sense of identity and helping out long and short-term memory. For many of us, singing plays a key role from birth. This competition was judged by senior faculties of the college and also external judges. It was a busy day with events taking place with full concentration and talent. All students performed well in the event. Prizes and certificates were distributed at the end of the event.
