Date and Time	12th August 2026, 11:00 AM
Venue	Auditorium, Panchakot Mahavidyalaya

Speakers:

- Shri Habibur Rahaman, District Excise Commissioner (D.E.C.), Raghunathpur Range
- Shri Sumit Prasad, Officer-in-Charge, Excise, Neturia Circle
- Shri Krishna Pada Mandal, Officer-in-Charge, Excise, Raghunathpur Circle
- Dr. Jayanta Das, Coordinator, IQAC, Panchakot Mahavidyalaya

Importance of the Event:

Programmes of this nature hold particular significance for institutions of higher education located in rural belts such as Neturia and its surrounding areas, where exposure to illicit liquor and narcotic substances poses a growing threat to student welfare and community well-being. By bringing together law-enforcement expertise from the Department of Excise with the academic environment of the college, the event bridged the gap between administrative intervention and grassroots awareness-building, equipping students not merely with information but with a clear understanding of the legal and social machinery available to counter substance abuse.

Such interventions align with the broader mandate of the National Service Scheme to cultivate a sense of civic responsibility and social consciousness among students, positioning them as agents of change within their own communities. Beyond its immediate informational value, the programme served a preventive and rehabilitative purpose, encouraging early recognition of the signs of addiction and reinforcing the idea that combating substance abuse is a shared responsibility of educators, families, law-enforcement agencies, and the youth themselves. In this respect, the event contributed meaningfully to the college's continuing efforts to nurture a healthy, informed, and socially responsible campus community.

Proceedings of the Programme:

The National Service Scheme (NSS) Unit-II of Panchakot Mahavidyalaya, in collaboration with the Department of Excise, Raghunathpur Range, Government of West Bengal, organized an Awareness Programme Against Illicit Liquor and Drugs on 12th August

2026 at the College Auditorium. The programme was convened under the guidance of Dr. Suvajit Halder, Programme Officer, NSS Unit II, with the objective of sensitizing students and the wider campus community to the dangers of substance abuse and illicit liquor consumption, and to foster a spirit of collective responsibility in combating addiction.

The programme commenced with the National Anthem and the National Song, following which Dr. Jayanta Das, Coordinator of the Internal Quality Assurance Cell (IQAC), delivered the introductory address, outlining the significance and objectives of the programme. This was followed by the keynote address delivered by Shri Krishna Pada Mandal, Officer-in-Charge, Excise, Raghunathpur Circle, who spoke on the pathways through which individuals, particularly the youth, fall prey to addiction to illicit drugs and liquor.

Shri Sumit Prasad, Officer-in-Charge, Excise, Neturia Circle, thereafter delivered a lecture on drug control mechanisms and methods of preventing addiction among the youth. Shri Habibur Rahaman, District Excise Commissioner, Raghunathpur Range, addressed the gathering on the responsibility of teachers and citizens at large in preventing drug abuse within society. The valedictory lecture, delivered by Dr. Jayanta Das, brought the session to a close by summarizing the key takeaways of the programme and reiterating the institution's commitment to a drug-free campus. The proceedings concluded with a vote of thanks proposed by Dr. Suvajit Halder.

Outcome:

The programme succeeded in creating awareness among the student community and college staff regarding the legal, social, and health-related consequences of illicit liquor and drug use. The presence of senior Excise Department officials lent authority and practical grounding to the discussions, while the collaborative format of the event strengthened institutional ties between Panchakot Mahavidyalaya and the Department of Excise, Government of West Bengal. The event reaffirmed NSS Unit II's continued commitment to organizing outreach activities that address pressing social concerns within the campus and the wider community.
